About StudySmart

StudySmart is an innovative organization set up by experts operating in the educational, professional training and publishing fields.

StudySmart Professional Training
StudySmart has an established track record of offering a broad range of professional services to demanding and diverse clients. The organization was set up in 2005 by Dr. Constantine Kiritsis who set up and established the professional training market in Greece by offering and teaching ACCA, CIA, CFA, IFRS and other courses since 1999. In the field of professional training, *StudySmart* operates on an international level in **over 40 countries globally.**

Training team

All trainers are active professionals with extensive practical experience, delivering practical workshops & training sessions for demanding corporations (PwC, EY, Deloitte, Mazars, Coca Cola Hellenic and many others). This gives StudySmart the unique opportunity to develop and create ad hoc tailor made training workshops and seminars as well as educational programmes in demanding industries/areas such as: **Career Management, Educational**

Coaching, Coaching Leadership & Navigation, Communications, Governance & Risk, Digital Strategy, Digital Marketing, Negotiation techniques, Sales Techniques, Internal Audit, Customer Service, Train the trainer, Accounting & Finance, IFRSs, Human Resources, Business Acumen, Business Planning and others.
