### ABOUT THE GROUP

Nexi is Europe's PayTech company operating in high-growth, attractive European markets and technologically advanced countries. Listed on Borsa Italiana's MTA, Nexi has the scale, geographic reach and abilities to drive the transition to a cashless Europe. With its portfolio of innovative products, e-commerce expertise and industry-specific solutions, Nexi provides flexible support for the digital economy and the entire payment ecosystem globally, across a broad range of different payment channels and methods. Nexi's technological platform and the best-in-class professional skills in the sector enable the company to operate at its best in three market segments: Merchant Services & Solutions, Cards & Digital Payments and Digital Banking & Corporate Solutions.

Nexi constantly invests in technology and innovation, focusing on two fundamental principles: meeting, together with its partner banks, customer needs and creating new business opportunities for them. By simplifying payments and enabling people and businesses of all sizes to

build closer relationships and grow together, Nexi transforms the way people pay and businesses accept payments.

### TO WORK AND LIVE AT NEW SIA GREECE PART OF NEXI GROUP

New SIA Greece is part of the European payment service provider NEXI Group which has recently incorporated SIA. At NEW SIA GREECE, people are at the center, with constant attention to their professional and personal growth. We are looking for people who want to develop their skills and take on new responsibilities, with orientation towards results and customer satisfaction, the desire to take up challenges and an aptitude for problem solving and continual improvement. We focus our attention on finding and winning new talents, offering them the opportunity to grow with us within a challenging, innovative environment, following paths of development that promote their potential and capabilities.

To get in touch with us send your CV to [SIAGRHumanResources@sia.eu](mailto:SIAGRHumanResources@sia.eu).

We shape the future  
of payments
